AN EMBASSY HEALTHCARE COMMUNITY

When you're recovering from surgery or an injury or illness, you can count on Parkside Nursing and Rehabilitation to help you regain your strength and independence again with the perfect balance of professional nursing and medical care in a relaxed and home-like community. In addition to physical, occupational and speech therapies, our dedicated ventilator unit is staffed with on-site respiratory therapists 24 hours a day.

think results

"They encouraged me, but weren't too pushy. They would knock on the door every day and gently persuade me to go to rehab. Without a doubt, I will be back at the center after my next knee replacement."

- Melinda J. / Cleveland, Ohio

### Located throughout Ohio, Embassy Healthcare provides the services that matter to you.

The clinical capabilities at our skilled nursing centers range from respiratory services — including ventilator care at some locations — to specialized, diagnosis-specific programs.

We provide physical, occupational and speech therapy. We've also introduced Embassy Therapy and work with other experienced providers to deliver personalized rehabilitation plans.

And our assisted living centers and adult day care assure a continuum of care for patients and residents.

Embassy Healthcare has been providing quality care since 1998. We focus on outcomes, so our services get results and allow you to go home faster.
