

### **Pickerington Care and Rehabilitation**

has been providing quality care for nearly 35 years. Our community is designed to provide an active and enjoyable lifestyle for all residents and patients

At Pickerington, we want to inspire happiness in all the people we encounter. Our residents enjoy spacious, private rooms and expansive public areas, as well as Wi-Fi, flat screen televisions, cable, and telephones. We offer regular social activities and events, including wellness and lifestyle options, exercise classes, and biweekly trips.

Our professional staff is committed to assisting each resident in meeting their social, physical, and psychological goals. Whether you're here for short-or long-term care, or using our rehabilitation services in our state-of-the art skilled rehab center, you'll have all the comforts of home with none of the worry when you come to Pickerington.

## Short-Term Care

Trauma. Disease. Stroke. Surgery. Chronic condition. These events occur, sometimes impairing mobility, functionality or cognitive abilities. Often, rehabilitation is the only way to achieve renewed independence and improved quality of life.

Our goal is to help every patient achieve the highest level of recovery possible. Our staff of veteran providers have served the needs of our community for decades. Use Pickerington's family of staff to help you achieve your rehabilitation goals as well.

### **Our short-term rehabilitation services include:**

- Occupational Therapy
- Orthopedic Therapy
- Post-Surgical Rehabilitation
- Cardiac Rehabilitation
- Neuro-Muscular Therapy
- Pulmonary Rehabilitation
- Respiratory Therapy
- Physical Therapy
- Speech Therapy
- Stroke Rehabilitation
- IV Therapy
- Wound Care
- Transitional Care
