

At Solon Pointe, you'll find a warm and comfortable home-away-from-home for those recovering from a hospital stay or in need of rehabilitation services. Our personalized care and private rehabilitation suites let you heal in comfort with great amenities like our coffee cafe with Internet access and spa services. We offer assisted living, skilled nursing and rehabilitation services, as well as respite care and a secured dementia unit, along with palliative and hospice care.

Medicare often helps cover the financial obligations of skilled nursing services. We are providers for Medicare, Medicaid, and many private insurance companies.

Located throughout Ohio, Embassy Healthcare provides the services that matter to you.

The clinical capabilities at our skilled nursing centers range from respiratory services — including ventilator care at some locations — to specialized, diagnosis-specific programs.

We provide physical, occupational and speech therapy. We've also introduced Embassy Therapy and work with other experienced providers to deliver personalized rehabilitation plans.

And our assisted living centers and adult day care assure a continuum of care for patients and residents.

Embassy Healthcare has been providing quality care since 1998. We focus on outcomes, so our services get results and allow you to go home faster.
